The destiny of the controversial parking meter ordinance was back in the hands of the City Council this week with announcement from City Clerk Mrs. Myrtle McLean that sufficient valid signatures were obtained on petitions presented last week to halt the meter installation.

Petitions filed by Mrs. Kathie Zahn, 907 Santa Fe Ave., showed 1367 valid signatures, with an estimated total of 1023 required for a referendum on the ordinance or for the Council to place the issue to a voters' test.

The Council's next move is expected to come up for debate next Monday evening.

The Council directed City Attorney George Glavinovich at the Monday night session to draw up papers calling for bids on the repaving of Santa Fe Ave. between Portland Ave. and the north city limits and for the resurfacing of Peralta Ave. between the south city limits and Solano Ave.

Albany Soroptimist News

By BEA RAYMOND

The Soroptimist Club of Albany met at Carl's Restaurant on June 15. It was a very special meeting in honor of our President Mae Ellis Olson, who celebrates her birthday on June 18. After President Mae had performed all the duties pertaining to her office, song leader Claire McGaw started the good old happy birthday song.

During the song, two of the members came marching from the kitchen, one toting an enormous birthday cake and the other, looking all the while like Santa Claus, carried a huge bundle of gifts and dumped them in front of President Mae.

We have known Mae for many years and have admired her poise and ability to handle all situations. We can honestly say that this is the first time we have ever seen our Mae befuddled.

Genevieve Douglas had her charming daughter, Jehn, as her guest.

Ruth Tomlin was program chairman and introduced our guest speaker, Mary Rixford, O.J.R., occupational therapy, consultant and field counselor from the California Society for Crippled Children in San Francisco.

The slogan of this society is "California Cares." Miss Rixford's duties cover nine counties adjacent to San Francisco. She is a very earnest speaker and while her story of the need of these children is a sad subject, we were very grateful to her for furnishing us the true facts of the way these children are being helped.

Albany Bowl Construction Adds Finishing Touches

Construction on Albany's new \$350,000 recreation center was reported today as over 80 percent completed, according to Frank Lacy, president of Albany Recreation Corporation.

The combination bowling alley, billiard room, restaurant and lounge is located at the corner of San Pablo Ave. and Clay St. Using the latest in semi-automatic pin-setting equipment, the Brunswick Balke Co. of San Francisco started installation Monday on the 16 bowling lanes.

The Bowl covers 20,000 square feet plus an additional 75-car parking lot at the rear of the building, with the entrance on Adams St.

Eleven of the latest type billiard tables are being installed, and the restaurant and fountain expected to be the most modern in Albany.

Two of the Bay Area's fastest major leagues have contracted to use the Albany Bowl for their home grounds. This will provide sport lovers with the highest competition available for the Northern California District. Tournaments and sweepstakes have been scheduled for the fall and winter season. Bowling lanes will be open at all times for the public.

Lacy extended an invitation to all residents to visit the new Bowl before its completion. Grand opening will be announced at a later date.

**Albany Girl Scout
Awarded Scholarship**
Girl Scouting was given credit
today as the "clincher" in a series
of events leading to the selection of

an Albany girl as the recipient of a
four-year college scholarship award-
ed annually by the California Con-
gress of Parents and Teachers.
Ellen Hogan, Albany High
School senior and prominent Girl
Scout, was awarded the scholarship
a few days ago, and with typical
enthusiasm volunteered that she felt
her Girl Scout training was the
greatest single factor which made
her selection possible. "Girl Scout
work, that's what clinched it," said
Ellen.
Ellen is just one of over 2,000
local girls who are members of the
Girl Scouts of Berkeley-Albany-
Kensington, an organization, almost
entirely supported by Community
Chest funds, which provides oppor-
tunities for citizenship training, con-
servation appreciation, international
friendships, democratic living and an
intangible feeling of "belonging."

Sierra Playgrounds

California's "back yard" is full of them

More than 120 lakes in the Sierra and
Cascades are man-made. They were
built by P. G. and E. as reservoirs for
56 hydroelectric plants whose gener-
ators are spun by falling water. Our
reservoirs capture melting snow in the
Spring, prevent damaging floods

and wasteful runoff of precious water,
and provide regulated release of the
water for year-round stream flow.
Many popular fishing streams other-
wise would be dry during the summer
and fall vacation season. All this, and
low-cost power too!

At many places, such as beau-
tiful Lake Almanor nestled at
the base of Mount Lassen,
P. G. and E. development has
created resort areas enjoyed
by thousands.

P. G. and E. works closely with
the Fish and Game Commis-
sion... building fish ladders,
planting trout, maintaining
stream flow. We are fish con-
servation enthusiasts.

Work never stops on our power-building program

P. G. and E.

For the record

Hydroelectric plants do not con-
sume water...they
borrow it tempo-
rarily, then return
it to the stream.

"Hydro" aids irrigation...hold-
ing back flood-
waters in the
Spring and
making the
water avail-
able when it's needed most in
the dry crop-growing months.

An Investment That Always Pays Interest

"If a man empties his purse into his head, no man can take it away from him. An investment in knowledge always pays the best interest." — Benjamin Franklin.

Through the years our city has made larger and larger investments in education. And year by year it is shown that the investment is paying interest through better-educated youth. A great deal of credit goes to the fine teachers that give so much of their time and effort to our young people's education.

Our heartiest congratulations to the Class of '49. May your hopes be fulfilled.

Sunday Matinee For Ice Follies

Sunday matinee performances of the "Ice Follies of 1949," in addition to the nightly shows, will begin at San Francisco's Winterland on June 26.

The "Follies," which opened its 13th annual engagement with another brilliant premier performance on June 8, was hailed by all San Francisco critics as "the greatest of the series."

The management announced special services will be accorded mail orders from out-of-town "Follies" fans.

Evening School Offers Hand Weaving Course

A course in hand-loom weaving will be offered from 1 to 4 p. m. each Tuesday and Thursday at Albany High School during the summer session of Albany Evening School, according to Robert G. Dennis, principal.

Instructed by Frank Turner, the course will extend from June 21 through the last week of July.

Turner, who has been teaching upholstery and woodshop at the school for the past year, plans on starting his students with the simple Inkle loom and card weaving. Looms for beginners will be provided by the school.

Hand-woven fabrics are increasing in popularity. The weaving of ties, belts, scarfs, table runners, place mats, towels, drapes, clothing fabrics and various other articles offers a varied field of interest to those enrolling in the classes.

Mrs. Ellen Radder, auditor; Mrs. Virginia Shaw, hospitality; Mrs. Jean Roberts, budget chairman and committee; Mrs. Frances Kerr and Mrs. Virginia Fuller, and Mrs. Vivian Girard, publicity.

Following the business meeting, refreshments were served by the committee.

COMMUNICATED

Editor:

Speaking for the boys and girls on the Cornell Junior Traffic Police squad, I would like to thank the following organizations and individuals for their splendid cooperation in making the recent Junior Police picnic a huge success:

Myrtle Moncrief of The Roberta; Frank Corey, Joe Villa, Joe Gaeta of the Albany Furniture Co., Albany Police Department, and Marin, Cordones and Cornell P.T.A.'s.

I wish to especially thank Police Officers Vern Freeman, John McCarthy, C. C. Purcell and B. E. Johnson for their attendance at the picnic on their own time.

MILTON GORDON,
Principal, Cornell School.

Marin Room Mothers Honored at PTA Tea

Room mothers of Marin school were entertained at a tea recently by Mrs. Robert D. Clark, room mother chairman, and Mrs. Robert A. Peterson, assistant chairman, of the Marin P.T.A. The tea was held at the home of Mrs. Clark, 1046 Ordway.

Mrs. George F. Klarmann, outgoing president of the unit, and Mrs. G. G. Geering, incoming co-president, poured at the beautifully appointed tea table.

The efforts of the room mothers and their committees helped to make the room teas of Marin School successful in bringing about a closer relationship between parents and teachers.

Guests included Mesdames E. L. Tognetti, Elwood Lentz, Ross Price, William Beck, John R. Hafstad, Paul Wilson, Carl W. Ball, George Frederickson, M. R. Foss,
